MESSAGE FROM THE ATHLETIC DIRECTOR

In Liberty Christian Athletics, we cultivate an environment of family. Our coaches and staff put in countless hours to help students learn the lessons of athletics and life. Our hope is that the experience our students have in athletics will leave a positive lasting impression on their lives. This experience doesn't come from playing time or playing the position of choice, but from doing what they can to help the team by being selfless and to ultimately grow closer in their relationship with Christ. Our motto in athletics is "FOR HIM." We want our athletes competing for Christ in all they do and in every decision they make. Sometimes that means doing what is best for WE instead of ME. I am excited to see what the Lord has in store for our program and our athletes this year. Christ has shown that He is here in this school, and we are pleased others see Him through our coaches and athletes. Please join us this year in supporting our teams and coaches as we compete to represent our school, our families, and most importantly, Christ.

GO WARRIORS!

LIBERTY YOUTH ASSOCIATION

Excitement builds as the Liberty Youth Association (LYA) begins its second year! Statistics show nationally that 70 percent of students leave sports before the age of 13. We want our students to enjoy sports when they are young so they will continue to play sports throughout their high school career.

LYA provides our youth an opportunity to experience sports in a godly, structured, nurturing environment. Participation in athletics plays a valuable role in the development of our children. Aspects of teamwork, commitment, physical fitness, self-esteem, and fair play contribute to the growth and maturity of young people.

In LYA, our students will focus on representing Christ, maintaining standards of sportsmanship established for a Liberty Christian Warrior, enjoying the opportunity to play, and learning basic fundamentals for each sport. We want our young athletes to learn the ways of our Middle and Upper School athletic programs that will better prepare them for their future in Liberty Christian Athletics and beyond.

Coaches in our kids' lives play such an important role, and we want to make sure we have the right ones for our students. Coaches for each team will go through a three-step process: background check/Ministry Safe, National Federation of State High School Associations (NFHS) testing, and interview with the LYA Board.

We believe your child's participation in LYA will be an enriching and enjoyable experience. We are excited to bring the following sports to our Liberty families from Pre-K to 6th grade:

- Fall and Spring Soccer
- Fall Volleyball
- Fall Tackle and Flag Football
- Fall Cheer
- Winter Basketball
- Spring Baseball
- Summer Speed/Agility Training
- Summer Track

We are constantly evaluating and adding sports, so stay tuned! We look forward to the upcoming years with you and your family.

GO WARRIORS!

Billy Jordan
Director of Liberty Youth Association

WARRIOR CLUB Q-and-A

Q: WHAT IS WARRIOR CLUB?

A: Warrior Club is an all sports booster club to help our teams with non-budgeted items.

Q: HOW DO I JOIN?

A: All memberships can be purchased at www.LibertyChristian.com under the Athletics tab. Click the "Warrior Club" link.

Q: WHERE DOES THE MONEY GO?

A: funds from Warrior Club are dispersed for our various sports each year. These decisions are based upon need and expense. The goal each year is to try and purchase at least one item per sport from ECE to Upper School.

Q: IF I BUY A MEMBERSHIP TO WARRIOR CLUB, DOES MY MONEY GO TOWARD ANY OTHER PROJECTS ON CAMPUS?

A: No, the money generated from Warrior Club memberships can only be used by the Athletic Department.

Q: HOW LONG DOES A MEMBERSHIP LAST?

A: Warrior Club memberships are good for one school year.

Q: WHO OPERATES WARRIOR CLUB?

A: Warrior Club is operated by parent volunteers who donate their time in all facets from communication, merchandising, and events. The Athletic Department also assists in these areas, along with helping to determine the needs of each program.

Q: HOW CAN I HELP WITH WARRIOR CLUB?

A: There is always a need for volunteers. We have multiple events each year, and volunteers are needed for every one. If you are interested in volunteering, please contact warriorclub@libertychristian.com.

FAITH AND CHARACTER

The DALLAS NATIONALS BASEBALL CLUB's mission is to prepare young men for the next level of competition both on and off the diamond. Our coaches and staff are selected specifically to improve baseball skills and knowledge; however, since there is more to life than baseball, we also work to build character at every opportunity.

We are always looking for athletes. If you're interested in trying out for one of our teams, visit our website under "The Club" and click "Join."

**LIBERTY ATHLETIC
LOGO HISTORY**

Used in the '90s, the "W," "LCS," and Warrior Rider was one of the first major logos at Liberty.

Used in the '90s until 2005, the script "Warriors" was the main logo on Liberty football helmets and used on athletic uniforms program wide.

As Liberty transitioned to the new campus in 2006, a new logo and white helmets were introduced. The "L-Warriors" logo became the standard athletic logo at LCS.

In 2015, Liberty introduced the new Warrior Rider logo to go along with the "L-Warriors" logo.
